Help for our friends...The Maranatha Spanish Church has recently made an offer to buy a church building in downtown Medford. They have received approval and some funding from the North Pacific Union Conference and the Oregon Conference, along with their own savings of \$150,000. They need an additional \$40,000 to close the agreement. If you would like to help, please mark an offering envelope with "Spanish Church" and your offering will go directly to this exciting prospect. The Maranatha Church was started right here in the Medford Church, and they still use our facility for their midweek and committee meetings during the week. Thank you for your support!
