SPECIAL NOTE: The sanctuary projector expired, and we convened a special church board meeting to discuss the options. We voted to purchase a new projector and scavenge certain parts and lens off the old projector for cost savings. The cost for the replacement is \$5,064.00. As is our policy we must have half the cost of the purchase in hand before moving ahead. We chose to use some undedicated trust funds to make up the first half (\$2,532.00) and appeal to the church (that is you), for the remainder (\$2,532.00). If you are willing to help out, please mark an offering envelope "projector" with your donation. *Thank you for your support!*
